Dumbledore's Secret part 2 to Ron's lonely night

Harry and friends were now 17. The next morning Ron awoke wrapped up in a sheet

He looked over to his right and remembered last night with his "nickie" He touched Nickie's face gently.

Then he remembered he had class, Ron hurried and jumped up got dressed and kissed Nickie goodbye. He met Harry and Hermione in the great hall eating breakfast, "Hey you guys" Ron said gleamingly. "Oh hi Ron!" Harry said "Hi!" Hermione said. "How was last night and all Ron?" Hermione asked. "Oh, Nickie he was great!" Ron replied. "Nice", Hermione said.

Meanwhile Dumbledore walked by the Gryffindor table. Hermione looked down as though she was hiding something. Dumbledore paused, looked at her, and walked off. Harry looked at Ron and asked "What's up with them?" Ron said, "I don't know their acting like silly geese!" Harry rolled his eyes in disbelief (if u read my last story you know ron's situation).

On the way over to defense against the dark arts class Harry asked Hermione "What's up between you and Dumbledore?" Hermione replied in a soft whisper "Nothing." "Oh!", Harry said. The short conversation ended and they went to class.

Later that day Ron and Harry were noticing that Hermione hadn't spoke all day not even in class. Harry was surprised, because Hermione always talked in class. Harry asked Hermione in a questionable tone, "What's wrong?" Hermione replied in a hushed voice, "Wellâ€¦"

nothing." Harry knew that something was up.

Harry didn't want to push Hermione, because he knew it was "that time of the month." So Harry just went to another subject. " You know defense against dark arts was really hard today." Harry said. Just then Hedwig came swooping in as always. A hard package flopped beside Harry. Harry gave a pathetic look at it and turned to Ron. Ron was thumbing through a catalog looking at witches dresses. Harry didn't have anything better to do then open the package. Harry found a card on top of the brown paper it read: from the Dursleys.

Harry already knew what it was, he opened it slowly and there it was a pathetic white brick. Harry thought to himself , what , do they want me to build a damn house? Harry once again threw the brick in disappointment, but this time it didn't hit Ron.

"BBBBBBBBBAAAAAAAAAAAAAAAA" Harry quickly looked around and to his surprise it hit the headmaster of the school!! Albus Dumbledore.. Harry didn't know what to do. He rushed to Dumbledore's side thinking about how he was going to be expelled for this. Dumbledore was knocked out and Ron had gone to get help.

Harry on the other hand was panicking. Madam Pomfrey rushed over and yelled "what the hell do you think your doing hitting the headmaster in the head like that?" Harry and Ron helped carry Dumbledore to the hospital wing. Madam Pomfrey shoed them away when they got there.

The next day was Harry's worst. The teachers would look at him in disamazement. Later that day Harry, Ron, and Hermione went over to the hospital wing. When they got there Madam Pomfrey looked at them and said "it doesn't look like it will be good for professor dumbledore."

Hermione got tears in her eyes "nnnnnnnnoooooooooooooooooooo" she rushed in the room and went to Dumbledore's side Harry and Ron followed. Hermione was muttering stuff quietly,"Iam sorry that i made that one bad grade, and iam sorry thet we had sex and made a baby" Harry's and Ron's mouth dropped.
